About

I am friendly, communicative, responsible, learning new material quickly. My love for this profession starts from the school, when I was looking for errors on sites for passing tests, looking for gaps. And at the university, I took a pintesting course from HackerU, then I realized that I want to develop in this direction in the future.

Education

Vinnytsia National Technical University

Bachelor
September 2020 - June 2024
Faculty of Information Technology and Computer Engineering, Computer Science
Computer Science

Skills

Networking
Linux
Python
C/C++

My extra skills

I work with such tools as:
1. Kali linux
2. Burp suite

I always strive to develop more and more so I read OWASP (Web Application Security Testing)

Additional education

1. IT Academy (Vinnitsa)
2. Portswigger Academy

Certificates

2020 Intensive Course for Penetration Testing (HackerU)
